BOYS! MEN! I'LL HELP YOU MASTER YUBIWAZA

— says N.J.FLEMING — YUBIWAZA MASTER

*(YUBIWAZA IS THE SECRET, AMAZINGLY EASY ART OF SELF-DEFENSE THAT TURNS JUST ONE FINGER OR YOUR HANDS INTO A POTENT WEAPON OF DEFENSE—WITHOUT ANY BODILY CONTACT...)

In just 2 hours after you receive "YUBIWAZA" you will be on your way to being an invincible Yubiwaza Master, at home, this Fast, EASY picture way or it costs you nothing.

WHAT YUBIWAZA CAN DO FOR YOU IN JUST A FEW SECONDS . . .

11:05 P.M.—You return from dance. Hoodlums throw insulting remarks to your date

11:06 P.M.—They attack you with fists and bottles You counterattack with YUBIWAZA

11:06 P.M. PLUS 7 SECONDS — You are untouched — while every hoodlum is on the run

The VITAL Decision is YOURS to make. Which shall it be? ☐ To play it "chicken" by running away? ☐ Be a "hothead" and be beaten up? ☐ Mail coupon now and be prepared with Yubiwaza to send your attackers flying!

I'M A 3rd-DEGREE HOLDER OF THE BLACK BELT—SYMBOL OF HIGH PROFICIENCY IN THE JAPANESE SYSTEM OF SELF-DEFENSE THAT USES NO WEAPONS BUT BARE HANDS. I spent many years in Japan learning these Little-known SECRETS. The most amazingly effective of all Self-Defense techniques that stood out in ALL my Japanese Training is contained in my AMAZING new Yubiwaza book – all yours to have if you ACT NOW. YUBIWAZA is the name of a fantastic system of Self-Defense that makes use of an EASY-to-Learn knowledge of vital body areas, and the tecniques of the use of just ONE Finger or the entire hand to counteract & overcome ANY violent attack. It is commonly known that with the aid of Yubiwaza, young men – and girls, too!– with only a few hours of training– turn back 2, 3 and even 4 attackers – temporarily DISABLING ONE, putting another to flight, making a third howl with pain, while the fourth begged his opponent to stop!

NOW YOU TOO CAN LEARN YUBIWAZA!

The experts in Japan, who know and teach these ONE-finger techniques, have now explained that YUBIWAZA is a centuries-old system of Self-Defense which is so simple and so effective that outsiders were never instructed in its use. The system was restricted to Japanese who SWORE to apply these methods only in time of danger and attack by an aggressor. Many of the very techniques in my Yubiwaza book,–once highly guarded secrets of the ancient Samurai warriors never shown to outsiders are now shown to you – FIRST time!

EASY --And I am now ready to show you, too, through clear, easy-to-understand photos, every secret. I guarantee to make you a YUBIWAZA specialist in hours—or every cent you paid will be refunded. You don't have to attend my school where I train beginners like you and turn them into experts. Now I can show you how to practice YUBIWAZA in the privacy of your own home with only a few minutes of practice a day. I'll show you how to defend yourself against hoodlums, bullies, "wise guys" and juvenile delinquents who respect neither lives nor property.

When you apply YUBIWAZA methods, you can cut an aggressor down with JUST ONE FINGER! You can disarm an opponent rushing you with his fists, a broken bottle, a revolver or any kind of bludgeon. You can turn an aggressor's attack into your advantage with only one finger or your bare hands. No matter how "hot" the action gets, YUBIWAZA keeps you "on top." You can apply simple pressure of your finger against any one of a dozen or more vital nerve centers of your opponent and watch his gun or knife fall from his limp hand while he himself sinks to the ground completely helpless and faint. If the neighborhood bully pushes you, you can make him say "uncle" quickly —with the help of YUBIWAZA!

MASTER EVERY SITUATION!

Make no mistake! The world is crowded with anti-social enemies who think nothing of sticking a knife into the ribs . . . or attacking peace-loving citizens just for the fun of it . . . or molesting boys and girls shamelessly There is a crying need for a system of self-defense that relies on KNOWLEDGE, not big muscles or strength . . . that depends on TECHNIQUE—not on weight or size of body . . . that is based on simple TRAINING—not on illegal possession of weapons.

When you know YUBIWAZA you can disarm and disable your opponent in seconds. You can repel a mugger who probs you from behind—no matter how big he is or how much he weighs. Instantly you know WHERE to attack, and how. You learn the body's major vulnerable regions, the defense or onguard position to take, and your body's personal weapons which you can apply to maximum advantage. I have jam packed all I know about YUBIWAZA into my Guide, which I have profusely illustrated and clearly explained. I take you step by step through the fundamentals of this amazing system so that you understand clearly and immediately how these effective principles work. You learn these tricks used by marines, police and G-men . . . how to floor any bully. . . . how to touch vital spots that will make any attacker helpless . . . no matter whether you are big or small, strong or weak, you can overpower practically any opponent with lightning speed!

BECOME A NEW MAN!

Knowledge of YUBIWAZA will turn you into a NEW MAN even if you never actually have to use it! For you will become SELF-ASSURED through your ability to handle yourself. You will walk with a determined and confident air secure with the knowledge that NOTHING can frighten you . . . that you can deal with ANY man, ANY weapon, ANY situation—and that you can do all this with NO bodily contact! And you will win respect and admiration from everyone.

Thousands of men of all ages have won confidence and respect by learning YUBIWAZA. YOU can do the same! You owe it to your own peace of mind . . . to your friends and loved ones—to be able to defend yourself in these days when attack may come at any time and place from hoodlums, criminals and delinquents. So mail Coupon NOW for my COMPLETE instruction on YUBIWAZA. If you and your friends don't say that YUBIWAZA has made a NEW MAN out of you, every cent will be refunded!

Dear Archie:

My name is Elizabeth Bojtos and I live in a little town in Pennsylvania called Brownsville.

I was just received as a member in your club, and I also buy your comic books. I have a mother and father, two brothers and a sister.

I am now in the 9th Grade and am going to a public school. I have a girl pen pal from Nice, France named Dany. I get about two letters a month from her. We write back and forth to each other post cards, and send birthday presents.

There aren't too many kids around here but enough to have someone to keep busy with.

I used to take piano lessons when I was in the second grade but I quit after a year. Now I can play almost any song, and I play them all by ear. I cannot read notes,

We used to have a dog named Rocky but he was hit by a car and died a couple of weeks later.

My favorite games are tennis, checkers, croquet and badminton. Well, that's about all I have to say about everything I do. Oh, just one thing more—during the summer we went to New York to visit my aunts.

SECOND PRIZE — $3.00

REPORTER
MARGARET CHAVIS
144 Golden Avenue
Augusta, Ga.

Dear Archie:

This summer I have had a lot of adventure especially when I went to California. I went there to see my aunt. I took my Mexican Chihuahua and my Cocker Spaniel along with me. But I had to leave my monkey and parrot behind. After we have been there for a week we went to Disneyland. I went on the steamboat, the train and many other rides. I also saw many movie stars. I also went to Norfolk, Portsmouth and Richmond, Va. I didn't have too much fun there because I had so many accidents there; for example I cut my leg and had to get seven shots and four stitches. The doctor let me watch while he sewed it up. I also got some poison ivy.

I have lots of friends and hobbies. All my friends are very interesting, exciting and always ready for adventure. One of them went to California with me. My hobby is swimming, and collecting dolls. So far I have 127 dolls.

THIRD PRIZE — $2.00

REPORTER
CHARLES EDWARD DIAMOND
700 Eighth Avenue
Watervliet, N.Y.

Dear Archie:

Here is a report on a place that I visited, Camp Tekawitha, a very nice place to stay. I accompanied my cousin on the trip to camp, where he is going to stay for two weeks. I was just looking it over for next year.

There are twenty-six cabins, with names such as St. Edward, St. Charles, St. John, St. Vincent and St. Andrew, and 8 people can fit in a cabin. They have horseback riding, archery and swimming, all supervised by counselors.

The boys can go to the Canteen, where they are allowed to spend 15 cents a day from a joint bank. Here they can purchase candy, soda or other items. On rainy days the boys gather in the mess hall and view movies or play games.

FOURTH PRIZE — $1.00

REPORTER
LYNNE McNUTT
507 Malvern
Pasadema, Texas

Dear Archie:

Just recently I went with my neighbors to Carlsbad Caverns. It was a three-mile hike but it was worth it. It was so beautiful down there, it is hard to explain. We ate lunch way down under the earth in the Caverns' lunch room. We passed a formation that we named the Alery Stalk. Later we found out that was its name.

If anyone gets a chance to go there it will be a good experience.
